29. PROVISIONS FOR STARTUPS (AS DEFINED IN GAZETTE NOTIFICATION NO. D.L-33004/99 DATED 18.02.2016 AND 23.05.2017 OF MINISTRY OF COMMERCE AND INDUSTRY AND AS AMENDED FROM TIME TO TIME):

Prior turnover and prior experience shall not be required for all Startups [whether Micro & Small Enterprises (MSEs) or otherwise] subject to their meeting the quality and technical specifications specified in tender document and submission of document.

Further, the Startups are also exempted from submission of EMDs (if applicable). If a Startup emerge lowest bidder, the LoA / Order on such Startup shall be placed for entire tendered quantity/group/item/part (as the case may be).

However, during the Kick of Meeting monthly milestones/ check points would be drawn. Further, the performance of such contractor/ service provider will be reviewed more carefully and action to be taken as per provision of contract in case of failure/ poor performance.

30. EVALUATION CRITERIA:

Evaluation of the Price Bids shall be carried out on overall L1 basis. i.e overall L1 will be evaluated for the complete job excluding GST. Based on the evaluation of techno-commercially qualified bidders, the contract will be awarded to the overall L-1 bidder.

In case of a tie at the lowest bid (L1) position between two or more bidders, the order will be placed as per available policy of the GeM.

Purchase preference to the MSE & Class-I local supplier will be given as per PPP2012 & PPP-MII Policy.

31. INSPECTION CLAUSE:

- ✓ Inspection of bidders' facilities at the time of evaluation of the Technical Bids: AIESL reserves the right to inspect at its cost the production facility / facilities of the bidders in order to assess them

  infrastructure and capability to produce and deliver in accordance with the work schedule as indicated in this tender. The decision of AIESL in such case shall be final and binding.

- ✓ Inspection of the facility of the bidder who has been awarded the Contract / Purchase Order: AIESL further reserves the right to inspect the work location/office facility of the bidder, who has been awarded the Contract / Purchase Order, in order to confirm consistency of quality of the items as produced for AIESL.

- ✓ **Pre-Delivery Inspection:** Will be carried out by AIESL representatives at manufacturers premises. Local facilities for inspection and testing of equipment are to be arranged by manufacturer. Inspection, testing as per manufacturers specification including full load test & tests to ensure that the equipment's meet all technical parameters shall be carried out at manufacturers works before dispatch of the equipment.

- ✓ **Quantity Inspection and rejection after release of contract / purchase Order:** Every supply should be accompanied with a Quality Assurance Certificate (QAC) indicating that goods so supplied are in parameter / quality and or deficient in any other respect would also be liable for rejection at the time of inspection. If supplies are found to be defective, short supply or not confirming to the specifications / requirements, it may result in rejection without any liability on AIESL and necessary rectification will have to be made IMMEDIATELY and FREE OF COST in order to sustain the operations of AIESL. Penalty would be applicable as stated in the penalty clause.

32. OTHER TERMS & CONDITIONS:

- ✓ **Force Majeure:**

- ✓ The Bidder / Successful Bidder /AIESL (herein referred to as Party / Parties) shall not be liable for, nor be in default by reason of any failure or delay in discharge of its obligations under this Tender / Contract, where such failure or delay is caused by any act, including but not limited to any act of God, action or inaction of government authorities, fire, flood, gales, storm, lightning, earthquake, explosions or other catastrophes, accidents, weather, power failure or shortage of power, riot, war (declared or undeclared), warlike operations, act of terrorism, boycott, embargo, rebellions, sabotage, epidemics, quarantines, lock out, restrictions on travel based on travel advisories of any governmental entity, unavailability of the usual means of transportation, hostilities, revolution, civil commotion or public disorder or any other cause beyond its control.

- ✓ The Party encountering and affected by such causes and event shall inform the other in writing immediately of such an occurrence event and shall use its best reasonable efforts to minimize the economic and other effects and rectify as soon as possible any harm or delay created thereby shall reasonably allocate its available resources, giving priority to their obligations under this Contract.

- ✓ For the avoidance of any doubt, it is clarified that, payment obligations of AIESL shall be excused due to an event of Force Majeure.

- ✓ **Interpretation:** In the event of any difference in the interpretation of any of the clauses of the Contract / Purchase Order / Agreement and / or the Tender documents, the clarification given by **Chief Procurement Officer (CPO)**, AIESL shall be final and binding.

- ✓ **Arbitration:** Any dispute arising between the parties in respect of the construction, interpretation, application, meaning, scope, operation or effect of this document or the validity or breach thereof, shall first be resolved amicably by mutual consultation. If an amicable settlement is not forthcoming and dispute is not resolved within 21(Twenty-One) days, from the date when mutual consultation started,

recourse may be taken to settlement of disputes through arbitration as per the Arbitration and Conciliation Act 1996, and the award made in pursuance thereof shall be binding on the parties.

33. JURISDICTION: -The court of Mumbai only will have jurisdiction to deal with and decide upon any legal dispute whatsoever arising out of this tender.

34. ERRANT BIDDERS:

In case after price bid opening the lowest evaluated bidder (L1) is not awarded the job for any mistake committed by them in bidding or withdrawal of bid or varying any term in regard thereof leading to re-Tendering, AIESL shall forfeit Earnest Money paid by the bidder and such bidders shall be debarred from participation in re Tendering of the same job(s) as well as against any Tender inquiry for any service sought by AIESL or its subsidiaries at all locations.

35. FRAUDULENT PRACTICES:

AIESL requires that bidders/contractors observe the highest standard of ethics during the bid and execution of contracts. In pursuance of this AIESL defines, for the purposes of this provision, the terms set forth below as follows

a. **"Corrupt practice"** means

1) offering, giving, receiving or soliciting directly or indirectly of anything of value to influence the actions of any person connected with the Bidding Process or

2) save and except as permitted engaging in any manner whatsoever, whether during the Bidding Process or after the issue of the LOI or after the execution of the Agreement/Work Order as the case may be any person in respect of any matter relating to the Project or the LOI or the Agreement/Work Order who at any time has been or is a legal, financial or technical advisor of the Company in relation to any matter

concerning the Contract of anything of value to influence the action of a public official in the procurement process or contract execution;

b. **"Fraudulent practice"** means

A misrepresentation/board of directors is the same/omission/suppression/disclosure of incomplete facts in order to influence the tendering process. Forging in order to influence a procurement process or the execution of a contract to the detriment of the AIESL and includes collusive practice among bidders (before or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the AIESL of the benefits of free, fair and open competition.

c. **"Coercive Practice"** means

Impairing or harming or threatening to impair or harm, directly or indirectly, any person or property to influence any person's participation or action in the tendering process.

d. **"Undesirable Practice"** means

1) establishing contact with any person connected with or employed or engaged by the Company with the objective of canvassing, lobbying or in any manner influencing or attempting to influence the tendering process or 2) having a conflict of interest and

e. **"Restrictive practice"** means forming a cartel or arriving at any understanding or arrangement among bidders/prospective Service Providers to restrict or manipulate a full and fair competition in the Tendering Process.

f. AIESL shall reject a proposal for award if it determines that the bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question.

g. AIESL shall declare a firm ineligible and put on balcklist, either indefinitely or for a stated period if it at any time it is determined that the firm has engaged in corrupt or fraudulent practices in competing for, or in executing a contract.

h. AIESL shall rescind the contract forthwith, in case of successful bidder adopting fraudulent/forgery/corrupt practices during the currency of the contract.

36. BLACKLISTING CONDITIONS:

The party/ board of director (whose name is common) shall be blacklisted from participating in any Tenders floated by AIESL for the next three years, in case the Tenderer:

a) Adopts fraudulent practices as cited above.
b) Withdraws after award of the LOI/Work Order and fails to commence within the specified stipulated period and perform the contractual obligations during the currency of the contract.
c) Negative feedback from AI Asset Holding and its subsidiaries.
d) In case CBIC (Central Board of Indirect Taxes and Customs)/ any tax authority / any equivalent government agency brings to the notice of AIESL that the Supplier / Service Provider has not remitted the amount towards GST (CGST & SGST/UTGST or IGST) collected from AIESL to the government exchequer, then, that Supplier / Service Provider shall be put under blacklist for period of six months after following the due procedure. This action will be in addition to the right of recovery of financial implication arising on AIESL.

36. EFFECT OF BLACLISTING:

a) If a Vendor/ Supplier/Contractor/ Consultant is put on blacklist, such Vendor/ Supplier/Contractor/ Consultant shall not be considered in ongoing tenders/future tenders.

b) However, if such Vendor/ Supplier/Contractor/ Consultant is already executing any other order/ contract and their performance is satisfactory in terms of the relevant contract, should be allowed to continue till its completion without any further increase in scope except those incidentals to original scope mentioned in the contract. In such a case SD will not be forfeited and payment will be made as per provisions of concerned contract. However, this would be without prejudice to other terms and conditions of the contract.

c) after issue of the enquiry /bid/tender but before opening of technical bid, the bid submitted by the party shall be ignored.

d) after opening technical bid but before opening the Price bid, the Price bid of the party shall not be opened and BG/EMD submitted by the party shall be returned to the party.

e) After opening of price, BG/EMD made by the agency shall be returned; the offer of the agency shall be ignored & will not be further evaluated. In case such agency is lowest (L 1), next lowest bidder shall be considered as L-1.

37. ASSIGNMENT/SUBLET:

Procurement of material, hire of equipment or engagement of labour will not mean sub-contracting. Sub-contracting by the contractor without the approval of AIESL shall be a breach of contract, unless explicitly permitted in the contract.

38. QUALITY INSPECTION AND REJECTION AFTER RELEASE OF CONTRACT / PURCHASE ORDER:

QUALITY ASSURANCE – Wherever applicable, successful bidder/s should ensure that Quality of the work/job is as per specifications. Not meeting the specification / parameter / quality and or deficient in any other respect would cause rejection at the time of inspection and material will be returned to the vendor at their cost.

SAFETY NORMS

The following norms are to be observed by the Contractor for the construction, installation, maintenance, repair, overhaul and erection jobs at the AIESL Premises.

As a part of the contract, contractor must satisfy the under mentioned safety requirement and must always ensure that these are followed without deviation:

Contractor should ensure in writing before starting job that their workers and Supervisor are trained and having adequate knowledge & experience of work and related safety precautions to follow.

Smoking is strictly prohibited in areas with combustibles or flammable and other areas where smoking are prohibited.

Any hot job (welding, soldering, gas, cutting etc.) however minor it may be or any job which involves open flame or using a hot source or temporary electrical connections shall not be done without prior hot work permission from Fire Officer-AIESL. Contractors are not permitted to carry out any hot work on holidays, Saturdays and Sundays or beyond AIESL normal working hours without AIESL-Supervision and prior permission in writing.

It is entirely contractor's responsibility to ensure that protective equipment such as safety belts, lifelines, helmets, Safety Shoes etc. depending on the jobs are issued & used by contract workmen. Contractor's supervisor shall be present at site all the time and ensure that these PPEs are used by workers. If contractor need any suggestion on the matter, contractor can approach EIC/Safety Officer-AIESL. Any lapse on matters of safety will be viewed seriously.

All equipment used to carry out work shall be rendered safe. No equipments such as ladders, tractors, cranes, etc. or welding sets or any tools which belong to the AIESL shall be used by contractor unless specifically mentioned in writing in the terms of contract. Notwithstanding these it is obligatory on contractor's part, to verity the quality and safety aspects of such equipment, machinery or tools so that no injury or accident will occur when used in the expected manner. Any incident occurs during work, contractors are entirely responsible for it including compensation that may arise out of the incident.

Contractor must clearly bear in mind that a competent supervisor shall always be on site when contractor's men are at work. Lapse on this point shall be viewed seriously irrespective of occurrence of any incidents.

Contractor shall ensure that safety precautions expected of contractor's professional work are completely understood by contractor's supervisors and workers and that these are followed. Contractor shall also ensure that in every job that contractor must take cognigence of varying site conditions. Contractor's staff are completely knowledgeable about the hazards and dangers associated with the work for which due alertness and safe working methods shall be followed.

Site work is quite different from work in an organized workshop. Contractor shall bear this point in mind so that proper work methods to protect contractor's staff from any danger can be evolved.

Contractors are not permitted to carry out work within the premises of this AIESL which otherwise under conditions of contract are expected to be carried out in contractor's premises.

Contractor's materials which are flammable / combustible must under no circumstances be stored in any of our workshops or building or near aircraft. Contractor shall plan of temporary sheds so located that a fire in such a shed shall not involves any of the AIESL property. A Separate permission must be taken from Safety Officer-AIESL for it.

Supervisors and field staff may not be aware of the seriousness of consequences of going near aircraft under run-up. Contractors are responsible to see that out of curiosity and lack of awareness while going in a vehicle or otherwise people should not approach an aircraft under run-up.

Precautions During Welding

The contractor must ensure that welding machine is equipped with an earthing cable without joints.

Electrical supply to be tapped from power source identified by MSE-AIESL & connections must be firm to eliminate sparking. Circuit must be protected by fuse.

There should be no flammable material nor any spillage of such material in the locations of work spot.

There should be no joint in the phase side conductor cables.

If the welding is to be carried out in the vicinity of aircraft, separating, distance should not be less than 150 feet.

Welding job should not be carried out directly above or below the aircraft in the hangar.

The welding work carried out in workshop should be under the personal supervision of Engineering Facilities Division Supervisor. He will ensure that welding work is carried out in safe location & all flammable material are removed from the site

The said Supervisor should inform the related workshop / Section Incharge (eg. COD, AOD etc.) that the welding job is being be carried out.

The Contractor's staff must be appraised of the hazards of
